# 6 The Oval

## Heald Green SK8 3JJ

Offers Over £400,000

Conveniently-positioned for access to the amenities of Heald Green Village, this extended traditional semi-detached house stands on a generous (0.13 acre) garden plot, which affords a good degree of privacy.

The property is within easy reach of popular local schools for all age groups. An array of transport networks are close by, including the M56/M60 motorways, rail station with regular trains into the city and Manchester Airport is also readily accessible.

An entrance porch leads to an entrance hallway. To the front of the house is a well-proportioned living room with bay window and feature fireplace. A modern fitted kitchen opens into a dining area, then on to a conservatory which overlooks the rear garden.

To the first floor are two double bedrooms, both with fitted furniture, a single bedroom/study and a family bathroom which is fitted with a white suite, with shower above the bath.

There is a garden area to the front of the property, with a paved driveway leading alongside the house, through double gates and on to a large detached garage (16'2" x 28'0" overall). To the rear of the house is a most attractive garden, with seating area, a large lawned expanse, decorative borders and a range of established trees and shrubs. Towards the end of the garden is a timber summer house and vegetable plots.

This is a most appealing home which warrants an early internal inspection and will appeal to family purchasers in particular. There are options to extend (STP) should a new owner wish to create additional accommodation.
