268 Leigh Road Worsley M28 1LF

Price Guide £650,000

A Substantial FREEHOLD, Period, Three Double Bedroom Semi-Detached in need of complete modernisation.

Situated in a slightly elevated position in a most desirable location, this property offers enormous potential. "It is a blank canvas!". The majority of houses in the area have been extended with a similar house a few doors away having been completely modernised and extended, now demanding a price of over £1,250,000. There is no reason why a similar program could not be undertaken here as there is ample space to go sideways and backwards (subject to planning consents).

The property stands on a large garden plot set well back off the road and backing on to a wooded area. Worthy of note is the fact that the property has a large loft area which could very easily be converted to maximise its current footprint. At the end of the garden there is a section of land which is rented on an annual license but this cannot be seen on the brochure.

The property lies only a short distance from the M60.

This is a MUST VIEW property at a sensible price with the potential to add value.
