The Accommodation

A delightful barn conversion property situated within a rural development of similar character properties on Geary Lane in Bretby, converted in the early 1980's. The property enjoys a peaceful setting and benefits from allocated parking and a single garage positioned to the front aspect. Steps lead up to the entrance where a solid wood front door with double glazed side panel opens into the welcoming reception hallway.

The reception hallway provides a staircase rising to the first floor accommodation, a single radiator and a useful pantry cupboard, with doors leading off to the principal ground floor rooms. A guest cloakroom is fitted with a low-level WC and hand wash basin.

The kitchen is well appointed with a selection of fitted base cupboards and drawers with matching eye-level wall units and preparation work surfaces. Integrated appliances include a built-in double stainless steel oven and a four-ring halogen hob, with additional freestanding appliance space provided for a slimline dishwasher, washing machine and fridge freezer. The room benefits from a double radiator, a UPVC double glazed window and a skylight window, allowing plenty of natural light to fill the space.

Positioned on the rear elevation of the home is the spacious lounge, featuring a brick-built fireplace with inset living flame gas fire creating an attractive focal point. The lounge enjoys views over the garden via UPVC double glazed windows and has a radiator, with open-plan access leading through to the dining room.

The dining room offers an ideal entertaining space with a pleasant outlook over the rear garden through UPVC double glazed sliding patio doors leading directly onto the rear garden patio.

To the first floor, the landing has a UPVC double glazed window to the side elevation and provides access to the loft space via a drop-down ladder. The loft benefits from a window providing natural light and offers an excellent additional storage area. Also located on the landing is an airing cupboard housing the gas-fired combination boiler which supplies the domestic hot water and central heating system.

The first floor accommodation comprises two generously proportioned double bedrooms, both enjoying attractive views across the extensive rear garden through UPVC double glazed windows and having radiators.

The shower room is fitted with a modern suite comprising WC, hand wash basin and a double walk-in shower enclosure with complementary tiling to the walls, heated towel rail, shaver point and UPVC double glazed window.

A particular feature of the property is the extensive and mature rear garden. A spacious paved patio area provides an ideal seating and entertaining space, leading onto a large lawn with a mix of wall and hedgerow boundaries creating a private feel. Included within the sale is a summer house, and the garden enjoys an attractive outlook backing onto a mature tree-lined area.
