The Accommodation

A traditional three-bedroom mid-terrace property requiring modernisation and refurbishment throughout, offering an excellent opportunity for investors or buyers looking to create a home to their own specification. Offered for sale with no upward chain and immediate vacant possession, the property provides generous accommodation and a sizeable rear garden.

The accommodation begins with a uPVC double-glazed front entrance door opening into the entrance hallway, with a glazed internal door leading through to the front reception room. Positioned to the front elevation, the lounge features a uPVC double-glazed window, fitted shelving and a wall-mounted gas fire, with a further glazed door opening into the separate dining room.

The dining room enjoys a rear-facing uPVC double-glazed window, a wall-mounted gas fire, and a useful understairs storage cupboard, with the staircase rising to the first-floor accommodation. A glazed door leads through to the kitchen.

The kitchen is generously proportioned and offers excellent potential for refurbishment. Currently fitted with a stainless steel single-drainer sink unit, base cupboards and drawers, freestanding gas cooker space with gas point, additional appliance space, and a uPVC double-glazed window to the side elevation. A door leads through to the rear lobby, which provides a uPVC double-glazed rear window, access to a separate guest WC, and a timber door opening onto the rear garden.

To the first floor, the spacious principal bedroom spans the front of the property, benefiting from the traditional over-passage design to create generous proportions. The room includes fitted wardrobes, a uPVC double-glazed window to the front elevation and a wall-mounted gas heater. The second bedroom overlooks the rear garden and includes a uPVC double-glazed window together with a built-in cupboard housing the hot water immersion heater. The third bedroom, also positioned to the rear, enjoys views over the garden and benefits from a uPVC double-glazed window and wall-mounted gas heater.

Completing the first floor is the family bathroom, fitted with a three-piece suite comprising a low-level WC, hand wash basin and panelled bath, together with a uPVC double-glazed window. The property would now benefit from a comprehensive programme of modernisation, redecoration and upgrading, presenting an ideal opportunity to add value. Outside, a shared pedestrian access with the neighbouring property leads to the enclosed rear garden, which features a paved patio seating area, an extensive lawn with fenced boundaries, and a purpose-built garden shed.
