The accommodation is entered via a uPVC double-glazed front entrance door leading into an enclosed entrance porch with tiled flooring. A glazed internal door opens into the welcoming reception hallway, retaining its original quarry tiled floor, with a double radiator and staircase rising to the first-floor accommodation.

Positioned to the front elevation, the spacious lounge enjoys a walk-in uPVC double-glazed bay window allowing an abundance of natural light. From the kitchen, a rear lobby provides access to the conservatory and the ground floor guest cloakroom, fitted with a low-level WC and housing the wall-mounted gas-fired combination boiler supplying the domestic hot water and central heating system.

The conservatory enjoys views over the rear garden with uPVC double-glazed windows, a polycarbonate roof, radiator and plumbing for a washing machine. Timber doors provide access to both the side driveway and the rear garden. Adjacent to the conservatory is a useful ground floor wet room, fitted with an electric shower, self-draining floor and complementary tiled walls.

To the first floor, the landing has a side-facing uPVC double-glazed window and access to the loft space. The principal bedroom is positioned to the front elevation, benefiting from a built-in storage cupboard, original feature fireplace and double radiator.
