Humphreys

Asking Price £190,000

Located within the desirable village of Hatton, this extended detached property is offered for sale with no upward chain and provides an excellent opportunity for purchasers looking for a home in need of modernisation and improvement throughout.

Set back from the road with a block paved driveway, carport and garage, the accommodation includes a lounge opening into dining room, fitted kitchen, extended sitting room, ground floor shower room, three bedrooms and a family bathroom. Outside, there is a rear garden requiring cultivation, while Hatton offers convenient access to village amenities and the A50 road network.

The Accommodation

Occupying a desirable village position within Hatton, this traditional detached property is offered for sale with no upward chain, presenting an excellent opportunity for purchasers seeking a home in need of modernisation and improvement throughout. Set back from the road, the property is approached via a block paved driveway providing off-road parking for a wide variety of vehicles, with additional parking to the side beneath a carport leading through to the garage.

The internal accommodation opens via a UPVC double glazed front entrance door into a front porch, positioned on the front aspect of the home with UPVC windows. A glazed internal door leads through to the main lounge, which features a staircase rising to the first floor, radiator, feature fireplace and open-plan access through to the adjoining dining room, creating a spacious and flexible ground floor living arrangement.

The dining room benefits from a single radiator and provides a door through to the fitted kitchen, along with a further door leading into the extension, which creates a separate sitting room. The sitting room offers a UPVC double glazed window overlooking the rear garden, with a door opening into the rear lobby. The rear lobby has a UPVC door leading directly out to the garden and also provides access to the ground floor shower room and back into the kitchen.

The shower room is fitted with a low-level WC, hand wash basin and shower area. The kitchen offers a wide selection of base cupboards and eye level wall units, with tiling to walls, UPVC double glazed window and door to the side elevation, and freestanding appliance spaces, providing scope for alteration and upgrading.

To the first floor, the landing includes a useful built-in storage cupboard and doors leading off to three bedrooms, with the two larger bedrooms benefitting from fitted wardrobes. Completing the accommodation is a central family bathroom fitted with a three-piece suite comprising WC, pedestal hand wash basin and panelled bath.

The property benefits from central heating throughout and features a mixture of UPVC and aluminium double glazing. Externally, the rear garden is of a generous size but requires cultivation and general improvement, having fenced boundaries and plenty of potential to be transformed.

Hatton is a highly regarded village location, positioned within easy reach of the A50 linking major road networks and nearby towns. The village offers a range of local amenities including public houses and convenience stores, making this a practical and popular setting for a wide variety of buyers.

Offered for sale with immediate vacant possession and no upward chain, all prospective purchasers should note the property requires refurbishment and modernisation throughout. Viewings are strictly by appointment only.

The property information provided by Nicholas Humphrey Estate Agents is based on enquiries made of the vendor and from information available in the public domain. If there is any point on which you require further clarification, please contact the office and we will be pleased to check the information for you. Please note if your enquiry is of a legal or structural nature, we advise you to seek advice from a qualified professional in their relevant field. We suspect the garage roof is of asbestos construction and would require an approved firm for removal of asbestos materials to carry out any remedial works.
