Description

The porch opens into a welcoming hallway giving access to all main rooms. The dual-aspect living room feels warm and inviting, with an electric flame-effect fire and sliding doors leading to the conservatory. The kitchen offers ample storage, oak-effect worktops, space for appliances, and a Rangemaster oven, with an archway opening into the extended conservatory. Off the kitchen, a utility area provides further workspace and plumbing for laundry. The conservatory is a highlight of the home—bright, spacious, and designed to make the most of its stunning panoramic estuary views. Upstairs are three bedrooms and a family bathroom. Bedrooms 1 and 2 are comfortable doubles with far-reaching estuary views, while Bedroom 2 also benefits from an en-suite shower room. Bedroom 3, a single, works equally well as a study. Outside, the double garage offers fantastic versatility—currently part music room, but easily adapted into a gym, office, or creative space. The rear gardens are beautifully maintained, with lawn, greenhouse, and a raised decked area—perfect for soaking in the outstanding river views.
