## Description

Tucked away behind a generous frontage and set within a wonderfully established plot, this beautifully extended four-bedroom family home offers an exceptional blend of character, space and modern open-plan living.

At the heart of the house is a stunning kitchen/breakfast room—thoughtfully designed with extensive cabinetry, a central island and ample space for everyday family life. This flows effortlessly through to a striking orangery, flooded with natural light from bi-fold doors and providing the perfect dining and entertaining space with an open fire and views across the garden. A substantial sitting room offers a more relaxed retreat, while a separate study provides valuable work-from-home flexibility.

Upstairs, four well-proportioned bedrooms are arranged around a central landing, served by a contemporary family bathroom, with the principal bedroom enjoying a particularly generous footprint and an en-suite shower room.

Outside, the property truly comes into its own. The rear garden is a standout feature—mature, private and beautifully framed by established trees, creating a peaceful, almost secluded setting. A decked seating area provides an ideal spot for summer entertaining, while the remainder is laid to lawn, perfect for families. To the front, there is ample driveway parking, completing what is a highly practical and versatile home.
