Double doors lead seamlessly from the dining zone to the modern fitted kitchen which enjoys views over the garden. The kitchen comprises a wealth of high-gloss storage cupboards complemented by ample worksurface space. Integrated appliances include; triple oven stack (steam and fan ovens), separate microwave, dishwasher, induction hob with extractor over and a fridge/freezer. A chic second reception room, or optional fourth bedroom, is located to the front of the property and benefits from an en-suite shower room off. This room also benefits from a door leading to a side passage/lean-to area, ideal as separate entrance if preferred as an annex.

Upstairs, there are three generous double bedrooms. The principal bedroom benefits from views over the garden, with ample space for built in wardrobes and enjoying a luxury en-suite shower room. Two further bedrooms, one with fitted wardrobes, are served by an equally indulgent family bathroom.

The rear garden design has been carefully executed with entertaining at the heart. In total, there are two sheds, a covered seating area, a bar/garden room and a modern covered outdoor kitchen ideal for enjoying the sunny westerly aspect. A neat patio spans the entire width of the plot adjacent to the house. Gated side access flows effortlessly to the neat and spacious block paved driveway, which boasts scope to change into a carriage driveway around a impressively planted raised flower bed.
