Description

Approached via a brick paved, gated carriage driveway, striking doors lead to a welcoming hallway with sight-lines through to the garden. A guest toilet provides coat storage space and a utility cupboard for both a washing machine and tumble dryer. The property benefits from four reception areas; a generous living room with picture window and double doors to the hallway, a dining area with oak flooring overlooking the garden through twin patio doors, a separate study/snug and a family area with underfloor heating, air conditioning and a door to outside seamlessly opening through to the kitchen/breakfast room. The kitchen features a sociable breakfast bar, a wealth of storage, ample worksurfaces, garden views and double doors out to the garden. There is space for a dishwasher, wine fridge and an American fridge/freezer along with a range style oven, with an extractor fan over.

A feature split-staircase, with glass balustrade, beautifully distinguishes the principal bedroom, giving it its' own portion of upstairs. This generous triple aspect room with air-conditioning benefits from an en-suite shower room and dressing area. There are three further double bedrooms and one single arranged around a central landing; one with its own en-suite shower room and the others served by a family bathroom with spa bath and separate shower enclosure.

Outside, the beautifully planted and maintained rear garden is mainly laid to lawn. A generous curved patio provides ample space for entertaining with side access, in matching paving, leading through to the front garden. Off the front garden, is an impressive detached cabin, currently set up as a gym and sauna (not included), a useful all year round space, benefitting from air conditioning, light and power. The property also benefits from an electric car charging point, storage room with roller door and ample driveway parking.

Situation

The property is located in a sought after and rarely available residential cul-de-sac, within walking distance of Ashted's mainline station with services to London Bridge, Waterloo and Victoria. The M25's junction 9 is within a short drive connecting the house well to the major road network and providing easy access to London's major airports.

There are excellent shopping facilities within the Village including many traditional retailers, supported by an even more extensive range in the neighbour towns of Leatherhead & Epsom, served by Bus routes.

The area abounds in a wealth of open unspoilt countryside much of which is National Trust and Green Belt which in turn provides open spaces for country walks, horse riding and cycling. A choice of recreational pursuits including Ashted Squash and Tennis club, the RAC club at Woodcote Park and Tyrrells Wood Golf Club are all within the vicinity.

A major draw to the Village is its highly regarded local schools both state and private, many within walking distance including Barnett Wood Infant School, Downsends, West Ashted Primary, City of London Freemans and St Andrew's, to name but a few.
