The kitchen/dining/family room spans the rear of this home and is flooded by natural light via the rear doors and windows which frame the striking garden. The kitchen boasts a range of wall and base units with a sociable central, well utilised island offering ample worksurface space. Beyond is a study, which would also work well as a playroom or snug. A toilet completes the ground floor accommodation.

From the first-floor landing four bedrooms; three double and one single in size and two with fitted wardrobes. These rooms are served by an en-suite shower room and a recently refitted family shower room with an airing cupboard.

Outside is an inviting family garden which enjoys mature planting, panel fenced boundaries, a good size patio and side gate to the front. The driveway provides off street parking with scope to extend this for further vehicles if needed.
