Situation

Tadworth village lies on the outskirts of the North Downs and is within a short flat walk offering a thriving village community to include many shops and independent traders. It is centrally placed for access to all parts of South East England via junction 8 of the M25 which is approximately 4 miles to the South. This provides access to the motorway network and both Gatwick (16miles) and Heathrow (32miles) airports. The area provides a wide choice of private and state schools including the nearby Tadworth Primary School together with many recreational pursuits. In addition to the local shops the larger towns of Epsom, Sutton and Kingston provide more comprehensive shopping centres. Epsom Downs offers 600 acres of unspoilt green belt countryside from which the city of London can be seen and of course is home to the world famous Derby.
