At its heart lies a stunning open-plan kitchen and dining area, bathed in natural light and opening out onto a generous south-facing patio and garden that backs onto open fields. Perfect for al fresco entertaining or children's adventures.

The property also boasts a separate, spacious living room ideal for relaxing evenings, alongside a versatile study that doubles as a playroom or fifth bedroom, offering flexibility for growing families or those working from home.

With its park-like setting, scenic outlooks, and ample space both inside and out, this is more than just a house, it's a rare opportunity to own a Surrey Hills hideaway.

There is also great potential to extend (STPP).
