THE PERFECT CHOICE FOR A REFINED LIFESTYLE

Cavendish Court is a prestigious two double bedroom apartment development set in the heart of Heaton Mersey. The popularity of the scheme has never wavered and that relates not just to the design but also the lovely, landscaped grounds and the privacy from being set back off the road.

The owner of this first floor unit is typical of the many occupants over the years, in that he lived in the village, knew all of its attractions and recognised the opportunity to downsize and streamline his lifestyle elegantly here. The middle block which contains his home provides the largest of the apartments, an impressive and generous 800+ square feet of living space. It would also represent an opportunity for this meticulous buyer to impose his own exacting standards, the apartment being stripped back to bare brick and fully renovated. Detailed below you will see a glossary of the many lifestyle choices he made that underscore the quality on offer.

Worth noting, this listing is only the second time this apartment has been available for sale, as the owner prior to our vendor purchased the property from new, reflecting the wonderful lifestyle offered at Cavendish Court.

There is a recognition that Heaton Mersey is one of the premier villages to live in, in the south side of Greater Manchester. You are within a short walk of the village centres of Heaton Mersey and Heaton Moor. Didsbury is another convenient option whilst Stockport and its billion-pound regeneration programme lies within easy reach. All of these destinations offer boutique shopping, fine dining and stylish wine and coffee bars. Of equal importance to many the convenient is access to the motorway, international airport, main line train station and the Metrolink.

Complete with vacant possession this represents a wonderful offering to the marketplace.
