OPEN HOUSE- SATURDAY 6th JUNE 10.00am-11.00am (BY APPOINTMENT)  
Offered to the market with no forward chain and sole ownership is this charming period family home, enviably positioned on one of the most highly desirable roads on the ever-popular South Side of Bexleyheath.

Full of character and original charm, the property offers an exciting opportunity for buyers looking to create a truly special long-term family home. While the house would benefit from complete modernisation throughout, it remains perfectly liveable and could comfortably be occupied with some immediate minor improvements, allowing any future owner the opportunity to update and enhance the property over time.

Ideally located within walking distance of the highly regarded Townley Grammar School for Girls and Upton Primary School, the property is also just a short stroll from Bexleyheath Town Centre, offering a wide selection of shops, restaurants, bars and excellent transport links.

Internally, the home provides generous accommodation including two reception rooms, well-proportioned bedrooms and an upstairs bathroom, all offering excellent potential for refurbishment and redesign whilst retaining the wonderful character the property already possesses.

Externally, the property boasts a large rear garden, driveway to the front and substantial scope to extend to both the side and rear, subject to the necessary planning permissions. Any future enlargement would significantly enhance both the living space and overall value of what could become an exceptional family residence.

Properties on roads of this calibre are rarely available, particularly those offering such fantastic potential and long-term value. This is a wonderful opportunity to secure a characterful home in a prestigious location that the next owner will undoubtedly enjoy and cherish for many years to come.
