A fabulous, modern two bedroom (both doubles), two bathroom house with terrace and balconies!

This property has a good sized open plan living area with a high gloss white kitchen, and sliding doors leading out to a balcony. The dark wood effect flooring with white walls and spot lights gives the space a really modern feel. Outside on the balcony is enough space for a small table and chairs and bbq!

Both bedrooms are doubles, carpeted with one having another balcony and the other a small terrace, again with enough space for a tables and chairs.

The two bathrooms really give this property a luxurious feel as one has a double width walk in shower and the other a bath with shower over.

Close to all transport links and the high street, this really is a very desirable property!
