THE PROPERTY

Fantastic opportunity to improve an extended home, ideal for investors or first-time buyers looking to enhance a property and tailor it to their own taste. The property comprises an entrance hallway with access to the staircase. There is a lounge with an open dining area, and further on is a conservatory. The kitchen and utility room are an added bonus, while the garage has been converted and features French doors providing access to the front. Upstairs, there is an extension over the garage, creating a three-bedroom home, with all three bedrooms being doubles. The master bedroom benefits from an en-suite, and there is also a family bathroom. Externally, the property consists of off-street parking, a gravelled area to the front, and a paved rear garden. Wesley Gardens is situated off Wesley Terrace, in Castleside, within half a mile of the A68, which links to Hexham/Northumberland and to Darlington. There are some local shops and facilities in nearby Moorside, as well as local schools and, while there is a wider range of amenities in Consett, 1.8 miles along the A692. There are local country walks and cycle routes in the area, at the edge of the North Pennines, while the regional centres of Durham (15 miles) and Newcastle (16 miles) are both easily accessible via the major road network.

The property is subject to Article 4 Direction.
