

TO LET

Land on the North West Side of Woodstock Way, Hartlepool, Cleveland, TS27 3QR

£5,000

THE PROPERTY

A parcel of garden land situated within a well-established residential area of Hartlepool. The site extends to approximately 110 sq. m. (1,185 sq. ft.) and is positioned to the rear of existing residential properties, currently forming a former garden plot. The land is broadly rectangular in shape and enclosed by boundary fencing, with a level surface and hardstanding elements remaining from previous garden structures. The plot is outlined in red in the accompanying photograph for identification purposes. The site may offer potential for a variety of uses, subject to obtaining the necessary consents, such as garden extension to neighbouring properties, landscaping, storage, or other alternative uses. Interested parties are advised to make their own enquiries with the local planning authority regarding any future development potential. Please note we are unsure of access please see legal pack. The garden is situated on the north west side of Woodstock Way within a quiet and established residential area of Hartlepool. The surrounding neighbourhood is predominantly made up of modern semi-detached and detached family homes with private gardens. Hartlepool town centre lies approximately 4 miles to the south, providing a wide range of shopping, leisure and retail facilities. The nearby coastal town of Seaham and the city of Sunderland are also within convenient driving distance, offering further amenities and employment opportunities.
