This period detached cottage sits on a fantastic-sized plot and offers excellent potential for modernisation and possible development, subject to the necessary planning permissions. Importantly, the property is not listed and lies outside a conservation area, making it an attractive opportunity for buyers seeking an undeveloped project. Located in the quiet Bedfordshire village of Pulloxhill, the property is just a short drive from Flitwick and within convenient reach of Bedford and Milton Keynes, offering a balance of rural living with good access to nearby towns and amenities. The existing home provides approximately 870 sq ft of accommodation and benefits from extensive gardens, ample off-road parking, and a detached garage, making it an excellent opportunity to renovate, extend, or potentially redevelop, subject to planning.

## POTENTIAL

The property sits on wide plot ending at the corner junction with Tyburn Lane. The width of the plot may provide scope to build new dwellings alongside the existing house which itself has scope to extend further, all of which would be subject to all necessary planning approval consents.
